

Dear Friend of Christ the King Catholic School and Parish,

As we enjoy the summer with our friends and family, we are reflecting on the past school year with gratitude. We are grateful for our teachers and administrators who pour so much of themselves into our children's education. Catholic education is a such a wonderful gift where *everybody is somebody and ALL live for God.*

Each year the Parent-Teacher Organization ("PTO") sponsors events to support our wonderful school. These include the CK Run, the auction, the golf tournament, and bingo night. Christ the King School has an endowment, to which PTO gives an annual gift. In addition, PTO proceeds help fulfill a variety of needs each year. PTO annually funds a wish list of items in excess of \$150,000. As you look around our school, you can see PTO dollars at work in our Green Team efforts, the outdoor classroom, Montessori resources in our pre-school, music and drama materials, and the one-to-one computer program for our junior high students.

To continue the history and success of Christ the King School, there are opportunities for ongoing support. Our annual auction is PTO's largest fundraiser. This year's auction, Miami Knights, is scheduled for November 12, 2022. Recently, we expanded the sponsorship opportunities to include two new levels of sponsorship. These sponsorship opportunities will give you auction recognition, but the benefits will extend to other PTO events as well. We have established the CK Shining Knight recognition, which acknowledges our generous, top donors. We will also offer the typical auction sponsorship levels in the fall, which include donations from \$150 to \$2,500.

The details of our two sponsorship levels are below. We are offering the Diamond Knight sponsorship and the Shining Knight sponsorship. Both of these sponsorships include the Shining Knight recognition, which will acknowledge our top donors, and hopefully will be a recognition that continues for years to come. Because we are honoring these donors with this distinction, these two sponsorship levels are only available to single entities or families and will not be available for companies or individual families to split.

We are greatly appreciative of your ongoing support and your consideration of these exciting opportunities to support Christ the King School. If you are interested in participating, please complete the attached form and email it to carriekstrickland@yahoo.com. If you have questions, you can contact carriekstrickland@yahoo.com.

Sincerely,

Handwritten signatures of Stacy Lopez and Lesley Smith in blue ink.
